Beckenham Running Club

Charity Trail 10km

UKA Licence No.: 2025-30161

Sunday 9th November 2025 at 11:02

Thank you for entering the Beckenham Charity Trail 10km
in aid of The Royal British Legion and St. Christopher's

Race HQ

Race HQ is located at Beckenham Sports Club, Foxgrove Road, Beckenham, BR3 5AS. It is approximately 5 minutes' walk from Beckenham Junction station (trains from Victoria/Orpington, Croydon Tramlink and local buses), 10 minutes from both New Beckenham (trains from Hayes/Charing Cross) and Ravensbourne Stations (trains from Orpington). Local buses serve stops located on Foxgrove Road and nearby Southend Road.

Facilities & Parking

There are changing facilities, showers and toilets at race HQ. There is limited parking within the club grounds, but there is plenty of free on-road parking on the surrounding roads, please park respectfully. Both Westgate Road and Beckenham Place Park unmade roads are private and we would ask you not to park on these.

Race Number Collection

Your race number will be ready to collect from race HQ **on the day** between **09:30 and 10:30**.

Before the race

Entrants should make their way to the start (see map below), leaving the club house by **10:30** as it is approximately 1km from race HQ and a 15 minute walk to the start. Please be at the start line by **10:55** for the race briefing.

Baggage

There will be an unsupervised area by the start/finish to leave tops and jackets during the race; please avoid leaving valuables and bags so there is enough capacity for all runners; items are left at the owner's risk.

The Start

Please note that the Last Post will be played and there will be a two-minute silence observed before the race; the start will be at approximately 11:02. The start/finish area is on top of Crab Hill (see map below) close to the Westgate Road entrance to the park. Exit from the club house to the left along Foxgrove road, take the left at the crossroads into Westgate Road and at the end turn right into the park and up the hill to the start/finish area.

Course

The 10Km multi-terrain course consists of 2 laps around Beckenham Place Park on footpaths through woods and grass fields. It is subject to UKA rules, so the use of headphones and earphones is prohibited unless they are bone-conducting. Runners should be prepared for uneven surfaces, hills, protruding tree roots, and in the event of wet weather, some muddy and/or slippery surfaces.

There will be a water station just after 5Km and at the finish.

The course will be marshalled at regular points and there will be a sweeper to accompany the last runner(s) on the 2nd lap. Trail shoes are recommended (spikes are not recommended due to some hard surfaces), but road shoes should also be adequate except in the event of heavy rainfall beforehand.

Finish

There will be tea and cake for all runners back at race HQ (as long as stocks last!). Other refreshments will be available for purchase from the club bar after 12 noon.
